****Dear Valued Customers,**

Along with the increase in the number of credit cards, we have seen a continual increase in the associated fees. This along with the current economic climate has forced us to make the difficult decision to add a 3% fee to all credit card transactions.

This will appear as a "non-cash charge" on your credit card slip.

This will not affect cash transaction

as all of our menu items include a cash discount.

We thank you for your understanding and continued support.
