

***We're On Fire!***

Welcome to Curto's Wood Fired Foods a neighborhood restaurant featuring our Italian Wood Fired Brick Oven Entrées and Pizzas. Curto is my Italian Grandma's maiden name which I have very good food memories of her cooking large family Italian meals every Sunday.

Our menu is influenced with the essence of cooking with oak hardwood logs.

Nothing is ever fried, and pastas are always fresh.

We have daily chef driven specials and offer Gluten free, Vegan and alternative pasta options.
