

We're Ready When You Are

Nothing is more important to us than the health and safety of our guests. See below for Extra precautions we are taking for you!

The below guidelines are intended to be a general overview of measures we're taking to protect our guests.

- Hand sanitizer will be readily available for all guests to use upon arrival.
- Balls and shoes are being thoroughly sanitized and guests will be provided with disinfecting wipes upon request.
- Shoes will continue to be sanitized after each use with high-impact disinfectant spray.
- All Arcade Games and Kiosks will be thoroughly cleaned and disinfecting wipes will be available upon request.
- We will regularly clean and sanitize guest touch points and surfaces.
- All staff will be temperature checked prior to beginning their shifts.
- All staff will wear face masks and adhere to social distancing guidelines.
- Food handlers will also serve food with food coverings and wear gloves to prevent any contamination.
