DR. DAVID DICHIERA PRINCIPAL GUEST SPEAKER

Born in McKeesport, Pennsylvania and raised in Los Angeles, California, David DiChiera moved to suburban Detroit in 1962 to become a professor and ultimately chairman of music at Oakland University. His work at the university laid the foundation for him to create Michigan’s own professional opera company, Michigan Opera Theatre, in 1971.

From 1979 to 1983, while president of Opera America, DiChiera spearheaded a major project to develop innovative methods of funding new American musical theater works, and also began an initiative to support companies in efforts to reach previously under-served segments of the population. In addition to running Michigan Opera Theatre, DiChiera directed the Dayton Opera Association for more than 10 years. In 1985, he also founded Opera Pacific in Orange County, California, becoming the only general director in the nation to have founded and led two opera companies in a unique collaboration.

In 1996, DiChiera devoted his full efforts to his mission of creating an opera house for Detroit. On Michigan Opera Theatre’s twenty-fifth anniversary in April 1996, Joan Sutherland cut the ribbon for the grand opening of the Detroit Opera House, making MOT one of only a handful of American opera companies to own its home.

Throughout its history, Michigan Opera Theatre has been at the forefront of nurturing the careers of leading African-American artists. In his desire to present an opera representative of the local community, DiChiera commissioned Richard Danielpour and Toni Morrision’s opera Margaret Garner, an opera based on a fugitive slave story in pre-Civil War America, which became the first world premiere on the Detroit Opera House stage in 2005.

As a composer, DiChiera’s music continues to receive critical acclaim. Among his works, Four Sonnets, with verses by Edna St. Vincent Millay for soprano and piano, premiered at the Kennedy Center in Washington, D.C. and has since been widely performed. In October 2007, his opera Cyrano received its world premiere at the Detroit Opera House and was later successfully presented by Opera Company of Philadelphia and at Florida Grand Opera in 2011.

In October 2010, DiChiera was honored by the National Endowment for the Arts with their Opera Honors Award, our nation’s highest award for lifetime achievement in opera. Most recently, Dr. DiChiera was named the 2013 Kresge Eminent Artist by The Kresge Foundation.

At the behest of the President of Italy, in 2016 DiChiera received the Order of Merit of the Italian Republic (Ordine al merito della Repubblica Italiana) in recognition of his “lifelong commitment to the dissemination of the Italian language and culture and his dynamic promotion of Italian opera through the world renowned Michigan Opera Theatre.” The Order of Merit is the highest honor bestowed by Italy.

I am very proud to report that The Italian American was awarded a substantial grant by the Italian government for our 2015 publica-
tions. The grant is available to newspapers with Italian content published outside of Italy that meet certain crite-
ria. The Italian American is the only newspaper in the five state jurisdiction of the Consulate of Italy in Detroit that met the requirements for submission. We are grateful to Dr. Simona Barresi for her expert guidance throughout the submission process, and to Dr. Maria Luisa Lapresa for her support. In addition to the financial award, we are gratified by the validation of the Italian content of our newspaper by the Italian government. On March 31 we submitted the request for our 2016 publications with the hope of achieving the same result.

Bocce registration for the Seniors League will take place on May 10; teams will be organized on May 17, and the action will begin on May 23! On May 11 we are happy to present our first dinner dance featuring the music of Pino Maredi. We have had many requests for this, so please attend if you like to dance.

Our Easter brunch was a huge success, with 800 guests in attendance. Mother’s Day Brunch promises to be no less spectacular, so please think about joining us so your mom or grandma doesn’t have to cook!

On May 22, we are happy to host the Bellini Opera Theatre for a spring concert entitled “Era de Maggio”. Featured performers will be singers Aaron Caruso, Eva Evola, Rosella LoDuca, and Dino Valle, and musicians Francesco Cavallini, Martin Mandelbaum, and David Passalacqua. I encourage all of you to attend and support these wonderful performers and I promise that you will thoroughly enjoy the evening.

In closing, I want to wish a Happy Mother’s Day to all the moms and grandmas out there. If you are still lucky enough to have them with you, treasure every moment! I miss my mom every day but I am happy for the wonderful memories of the special love we shared.

TWENTY-THIRD ANNUAL ITALIAN SONGS AND ARIAS VOCAL COMPETITION, SUNDAY, MAY 7 AT ITALIAN BANQUET CENTER OF LIVONIA

The Verdi Opera Theatre of Michigan is happy to announce that the twenty-third annual “Italian Songs and Arias Vocal Competition for Michigan High School Students” reached its final stage as ten finalists were selected from the group of many participants from throughout the state. Those talented aspiring artists will compete in the final live “Concert of the Finalists” to be held at the Italian-American Banquet Center of Livonia, on Sunday, May 7, 2017, at 4:00 P.M.

This year’s vocal competition began last November when the Verdi Opera Theatre invited vocal music students from throughout the state to participate, through their respective high schools, by submitting CD-recordings of their singing two Italian classical songs or opera arias of their choice. At the concert, the ten finalists will be required to sing in front of the audience their two selections from memory, with a piano accompanist. The First Prize winner will receive $1,000.00 and all finalists will receive a cash prize.

The sponsor for the prize money each year is the Italian American Club of Livonia Charitable Foundation, while the concert hall and rehearsal facilities for the Concert of the Finalists are contributed, on alternate years where the concert will be held, by the Italian American Cultural Society of Clinton Township and the Italian American Club of Livonia.

The ten finalists this year are: Shalini Augenstein, Megan Groniek, and Hallie Snowday, Traverse City West SHS; Ryan Blankenburg, The Roeper School, Birmingham; Tyler Bouque, Troy HS; Giara D’Hondt, Lutheran HS North, Macomb; Jasmine Fernandez, Winston Churchill HS, Livonia; Andrew Hallam, Grosse Pointe North HS; Kiyonna Thompson, Cass Tech HS, Detroit, and Daniel Simaz, St. Francis HS, Traverse City.

At the Concert of the Finalists, the music program will include some of the most beautiful songs and arias by Bellini, Bononcini, Caccini, Donaudi, Falconieri, Gior- dani, Handel, Mondevendi, Mozart, Parisotti, Puccini, Respighi, Rosa, Scarlatti, Stradella, and Verdi.

The distinguished judges for the final competition will be: Soprano Melissa Maloney, a former finalist of this very competition and presently a frequent performer in the metro-Detroit area as well as voice instructor and lecturer at Oakland University; Soprano Louise Toppin, acclaimed for her operatic, orchestral, and oratorio performances in the USA and abroad, and currently Professor & Area Head of Voice at the University of North Carolina; and mezzo-soprano Barbara Wilsie, Associate Professor at Madonna University, and Co-Chair of the Metropoli- tan Opera National Council Auditions - Michigan Committee. The official Verdi Opera piano accompanist will be Kevin Bylawa, a renowned piano collaborator with internationally acclaimed opera artists.

The Italian Songs and Arias Vocal competition has established a reputation as one of the state’s top classical singing competition for high school students. The Concert of the Finalists is always an exciting event, and the public is invited to attend this year’s edition of the competition, to hear, to support, and to be inspired by these outstanding young talents.

Several finalists of this competition through the years have pursued a career in opera and, together with other vocal music students encouraged and supported by the Verdi Opera Theatre of Michigan and its members, are now performing with opera companies throughout the United States and overseas, including New York’s Metropolitan Opera, Michigan Opera Theatre, Milan’s La Scala, and more.

Tickets for the Concert of the Finalists are $7.00 per person ($5.00 for senior citizens and high school students) and can be purchased at the door on the day of the concert. For additional information, please contact John Zaret- ti, President of the Verdi Opera Theatre of Michigan, at verdiopera@comcast.net or at (734) 552-4236, or the Italian American Banquet Center of Livonia, at phone # (734) 953-9724.

IACS Membership Policy

The IACS has adopted a new membership expiration policy beginning in 2017. So that all members understand the new policy, it will be outlined here. All memberships at the IACS, with the exception of lifetime memberships, will run from January to December. All membership renewals will take place in January. That means that in December, membership renewal should be on everyone’s “to do” list so that there will be no interruption in membership benefits. A person who decides not to renew their membership in January but to do it later in the year thinking that the dues will be cheaper, will find that there will be NO pro-rating of dues. That means that the membership cost in January will be the same in June. That membership will also expire in December along with all memberships. There will be no advantage to waiting to renew the membership thinking that the cost will be less, as that will not be the case.

As before, there are a variety of membership types available. If you are currently a member but DID NOT receive your membership renewal, please contact the IACS office and let them know.

This new policy is in keeping with other organizations. Should you have any questions, please contact the IACS office at 586-228-3030. Thank you for your support as we continue to streamline our processes and procedures.

Benvenuta Dott.ssa Maria Manca,
Console d’Italia a Detroit

Il 16 marzo 2017 ha assunto le funzioni di Console a Detroit, competente per Indiana, Kentucky, Michigan, Ohio e Tennessee. Noi siamo lieti di darle il benvenuto a Detroit e ci auguriamo una fruttuosa collaborazione per il bene della comunità italiana.
SANDRA TORNBERG

Sono molto orgogliosa di comunicare che il nostro giornale The Italian American è stato assegnato un contributo dal governo italiano per le nostre pubblicazioni del 2015. La sovvenzione è disponibile per giornali con contenuti italiani pubblicati al di fuori dell'Italia che soddisfano determinati criteri. The Italian American è l'unico giornale nella circoscrizione del Consolato d'Italia a Detroit che ha soddisfatto i requisiti per presentare la richiesta. Siamo grati alla Dott.ssa Simona Barresi per la sua guida esperta durante il processo di presentazione e alla Dott.ssa Maria Luisa Lapresa per il suo sostegno. Oltre al premio monetario, siamo orgogliosi per la validazione del contenuto italiano del nostro giornale da parte del governo italiano. Il 31 marzo abbiamo presentato la richiesta per il 2016 con la speranza di ottenere lo stesso risultato.

La registrazione per la lega di bocce avrà luogo il 10 maggio, le squadre saranno organizzate il 17 maggio e l'azione inizierà il 23 maggio! In risposta a tante richieste, l'11 maggio siamo felici di presentare la nostra prima serata di cena e ballo con la musica di Pino Marelly. Speriamo di vedere tutti i ballerini.

Il nostro brunch di Pasqua è stato un grande successo, con 800 ospiti presenti. Il brunch per la Festa della Mamma promette di essere ugualmente spettacolare, perciò prenotati per le vostre famiglie, così le mamme e le nonne non devono cucinare!

Il 22 maggio saremo lieti di ospitare il Bellini Opera Theater per un concerto di primavera dal titolo “Era de Maggio”. I protagonisti saranno i cantanti Aaron Caruso, Eva Evola, Rosella LoDuca e Dino Valle e musicisti Francesco Cavallini, Martin Mandelbaum e David Passalacqua. Vi prego di partecipare e sostenere questi meravigliosi artisti e vi prometto una serata gradevole.

In fine auguro una bellissima Festa della Mamma a tutte le mamme e le nonne. Se siete fortunati di avere ancora queste persone care con voi, apprezzati ogni momento! Mia madre mi manca ogni giorno, ma sono felice per i meravigliosi ricordi dell’amore straordinario che abbiamo condiviso.

La Libia e la lotta all’Isis. Questi i temi al centro del primo incontro alla Casa Bianca tra Paolo Gentiloni e Donald Trump. Il nuovo presidente Usa riserva al presidente del Consiglio italiano un'accezione calorosa: “Non vedo l’ora” di essere in Sicilia per il G7, dice (e di incontrare il Papa, aggiunge poi).

Parole, queste ultime, che fonti divine interpretano nel senso del no a un impegno militare nel Paese. Trump risponde alla domanda di un giornalista italiano e forse non sente le parole di Gentiloni, che lo precede, sulla necessità di un impegno politico a Tripoli perché, nota più d’uno, in quel momento non ha gli auricolari della traduzione.

Nel vertice nello Studio Ovale però, raccontano, il presidente Usa ha rivolto molte domande proprio
Continua da pagina 2

**Gentiloni incontra, sulla Libia.** E nella dichiarazione a fine incontro sottolinea che l’Italia “è un partner chiave nella lotta al terrorismo” e per “la stabilizzazione della Libia e per limitare gli spazi vitali dell’Isis nel Mediterraneo”. Poi, nella risposta alla domanda, dichiara che non vede un “ruolo in Libia per gli Usa”, che sono già impegnati in Iraq e Siria da dove comunque il presidente Usa ribadisce di voler “uscire” appena possibile. In Siria, afferma Gentiloni, l’Italia non è impegnata nelle operazioni militari e non intende farlo. E di fronte al pressing di Trump per portare al 2%, come previsto dalla Nato, le spese per la difesa, sottolinea che lo farà progressivamente: “L’impegno è stato preso”, dice.

Nell’ultimo decennio, spiega, i nostri investimenti sono cresciuti dall’1,2 all’1,4%, con una spesa di 23,4 miliardi di euro nel 2014. Quanto ai rapporti economici, è Trump a dare un segnale positivo sottolineando che “l’Italia è un partner commerciale importante, l’obiettivo è ora di creare rapporti improntati alla reciprocità”. Sul fronte internazionale Gentiloni sottolinea la nostra tradizione: “Siamo Paese del dialogo. Il dialogo deve essere utile anche con la Russia senza rinunciare alla nostra unità, ai nostri principi, alla nostra forza e valori”, sottolinea in un momento di grande tensione dei rapporti tra Washington e Mosca.

Può essere l’anno della sconfitta dell’Isis” , afferma Gentiloni. Ma a Tripoli come in Siria, secondo l’Italia, c’è bisogno di un approccio negoziale multilaterale fermando (sul punto c’è sintonia con Trump) che “Assad non può essere l’uomo del futuro”. E in questa chiave al tavolo deve esserci la Russia, sottolinea nella conferenza stampa congiunta con Trump. Il nostro rapporto con gli Usa, anche nella nuova stagione trumpiana, è innanzitutto - rimarca - “nell’interesse” del nostro Paese. E ogni posizione che l’Italia assumerà è in linea con i suoi “valori”, a partire dal non abbandonare principi umanitari nella lotta al terrorismo. Di qui il messaggio che il presidente del Consiglio
