

## **MAIN BAR GUIDELINES**

Wipe down the bar top frequently.

Wipe down the table and chairs when a customer leaves.

Wash hands frequently.

Use Hand Sanitizer after each transaction.

Wearing a mask is required.

Tables have been set up six feet apart. Tables cannot be moved or combined. A maximum of six people per table. NO EXCEPTIONS. Carpet has been marked to keep the setup at the six feet distance.

Bars stools need to be kept six feet apart. If a couple living in the same household comes in they can sit together at the bar. All other groups must keep the six foot distance at the bar or move to a table.

We will start out using our limited carry out menu. These are printed on paper and will be thrown out after each use.

When we return to our full menu we will be sanitizing each menu after each use. We will have a bin to throw the menus into. As time permits we will spray and wipe them down before reusing them.

The only straws we can use are wrapped in paper. No stir sticks. When serving a mixed drink give the customer a wrapped straw. When serving a glass of water or soda do not give the customer a straw unless they ask for one.

When a customer asks for a refill on a soda we will use a new glass.

When a customer is getting another mixed drink or beer we will use a new glass.

Poker machines have been moved six feet apart.

NO pool games or dart games.

Golf game can be played but needs to be wiped down after each use.

NO popcorn.

NO salad bar on Friday nights.

Juke Box will be routinely wiped down.

Other sanitizing that you may be asked to do -

Wipe down the inside and outside door to the bathrooms. Wipe down the counters in the bathrooms. Wipe down the paper towel holder. Wipe down the stall doors including the door locks.

Trivia nights are on hold for now.
