December 2019/January 2020

Dear Artist, Community Member, Customer and Friend,

The Hudson Street Cafe is planning a Community Event on February 2 to benefit Habitat for Humanity of Greater Newburgh.

Local artists will be donating small works and the Hudson Street Cafe will be donating the space, staff, and all refreshments for the event. 100% of the proceeds from the sale of donated art will go to Habitat.

In addition, the smaller works donated will be priced within reach of those who may not have had an opportunity to purchase original works before. Pricing will be determined both by the suggestion of the artist and Bernadette Ballezza, curator of the sale. Framing is preferred, but not necessary.

Works should be ready to hang and, while we have no size restriction, smaller will allow us to hang more donations and make pieces more affordable to locals. Donations may be brought to the Cafe any time during open hours and we request that you provide us with your name, media, suggested price, phone number and an email address on the form below. Your phone and email will not be shared with customers; those are for us to communicate with you. If you wish, a business card may be attached to accompany your art. If you would like to provide us with a short biography, we will include it with your piece. We request that all work be delivered to the Cafe by the third week in January at the latest so we have time to plan out where it will be placed for the opening and sale.

An opening celebration for the artists, Habitat, and interested customers and members of the community will take place at the Cafe on Sunday February 2 from 4-6 pm with a snow date of Sunday, February 9. The Cafe will provide appetizers and desserts, soft drinks and an adult punch.

We hope all works will sell during the month of January. Bernadette may decide to have a discounted sale near the end of the month and any unsold work will be donated to Habitat. Each artist will receive a letter stating the sale price of their donation.

Sincerely,

Anne L. Pavek, *Hudson Street Café*

Bernadette Ballezza, *Art From Our Heart Curator*
