The Irish Cottage is proud to present an Irish Cottage Sponsored Fundraising Event. We are providing a community outlet to local chapters of non-profit groups for fund raising. This is a great way to raise money for local school groups and important community organizations that are often not financially supported to the extent of what is needed for them to succeed.

The following is how the Irish Cottage can help you and your organization raise money.

1. Pick a date that you would like to hold your event; either a Monday, Tuesday or Wednesday to book your fundraiser.
2. The Irish Cottage will provide you with a flyer for your group to distribute to family, friends, neighbors or anyone who would like to participate.
3. On the night of your event, arrive for dinner or order take-out from the Irish Cottage. When paying your check, give your server the flyer showing you are here for the fundraiser. Your flyer will be attached to your check and the Irish Cottage Restaurant will contribute 20% of the total of all food and non-alcoholic beverages from all of the checks with your flyer attached that are turned in that evening to your groups cause. There is no minimum attendance to receive your 20%. In addition to your events totals, The Irish Cottage will also donate \$1 for each of your attendees or take out. Also, if you are re-booking a fundraiser with us, we will donate an extra \$50.

For more information on setting up a fundraising event for your organization please contact Lisa Michaud either by email irishcottagepub@gmail.com or by phone 978-208-4347. We look forward to hearing from you and helping the community with their fundraising needs.
