Hearty and Wholesome Meals from East to West

We thank you for your support and for being a loyal customer. As a small business, it is not always easy to maintain a balance between fair wage and operating cost. However, we feel that our employees are our most valuable asset, and have decided to pay our staff's wages higher than the industry standard.

As a consequence, gratuity is no longer necessary and will no longer be accepted starting on July 1, 2017.
