

Good Thymes Re-Opening Policies

Good Thymes is excited to welcome you back. Our staff has been busy making the dining experience for you and your families as safe and comfortable for you as possible.

Some of the new guidelines that we are implementing within the restaurant include:

- Hand sanitizer stations will be available (we ask that everyone please use the hand sanitizer station before being seated)
- Limited reservations will be accepted in the **dining room only**. We will have a virtual waitlist
- Due to 50% capacity all guests must be sat by our host (If wait times occur, the host will take your name, and phone number to call you when your table is ready. We kindly ask that you wait outside or in your vehicle until then.)
- Pick up and delivery will continue through our smartphone app
- Minors will not be allowed in the lounge or on the patio
- Bar seating will not be available
- Our pool table, and volleyball court will be closed until further notice
- Social distance tables of 6ft/ 2 meters apart
- Tables of 10 or less. We ask that you refrain from visiting other tables

Failure to comply with house policies may result in you being asked to leave – no refunds will be given.

We ask that customers understand that some table side services will change:

-In an effort to minimize contact we will be restricting physical menu usage. Our full menu is available online and free Wi-Fi access will be available to all

To access the menu, open the camera on your smartphone to scan the barcode at the table, or here, you will get directed to our online menus (food, cocktails, wine, etc.)

-To ensure the safety of you and our employees: at this time servers will not be packing up customers food - Containers will be provided upon request. Condiments will only be provided upon request. Suckers will not accompany guest checks at this time.

-We ask that you remain at your table for payment. Servers will take your payment at the table and sanitize the machine after every use. -All forms of payment will be accepted (cash, visa, debit, Mastercard, Amex, gift cards, and meal tickets)

Above all, Safety is our biggest concern at this point, as we strive to provide the high level of quality and experience that we have built our reputation on. Please bare with us as we navigate through these new waters.
