SAMMY'S.....THEN AND NOW

Over the years many people have asked about the history of Sammy's Pizza. Sammy's has been locally owned and operated since 1993 by the Fry family, (no relation to the Turkey Ranch). The building in which Sammy's is located was built in 1970. Originally, for those who remember, this was the location of Fry's Dairy. Perhaps you may recall the milk in plastic bags, the home-made ice cream, and years later filling your car at the gas pumps. In 1991, Sammy JR started selling pizza from the dairy store, and was even so ambitious as to offer delivery to the surrounding areas. Sammy's home-made pizza became an overwhelming success. In 1993 Sammy JR opened Sammy's Pizza in a small portion of the building. It began with a very small bar, seating for only 40 people and a kitchen the size of most bathrooms. The menu consisted of a few specialty sandwiches, beer and of course pizza. After a year in business Sammy's expanded including a dance floor, pool table and a full menu with bar service. For several years we offered weekend entertainment with live bands and DJ's. Later we expanded one more time moving the pool table and adding more seating. Our motto has always been "EAT, DRINK, AND BE MERRY". The Fry family has always strived to offer a friendly, comfortable atmosphere, where the entire family is able to enjoy food at a reasonable price. It has been an honor and privilege to serve the local community for 40+ plus years. We look forward to serving you in the future.
