2010 RED MOUNTAIN SYRAH  
RED MOUNTAIN

100% SYRAH

*One of the smallest AVA's, Red Mountain is restricted to a single beautiful hill, central to Washington State's wine producing region. Terrior and climate in the exclusive growing area combine to create fruit with intense flavor. A soft, velvet entry, bright black fruit balanced by dark unsweetened cacao, all combine to create a complexity and depth of character suitable for extended aging.*
