

Welcome to July! It's National Hot Dog Month.....that makes sense, right.....hot dogs at the ball game and those family picnics. We have hot dogs and the Famous Secret Hot Dog Sandwich.

Our specials are all about AVOCADOS! We have the **Avocado Burger**, The **Turkey Bacon Avocado Wrap**, and the **Avocado BLT** and they are all fantastically delicious! The Avocado Burger is our 7 oz. Angus burger topped with bacon, pepper jack cheese, fresh avocado, lettuce and tomato. The Turkey Bacon Avocado Wrap is really self-explainable and how can you go wrong with those ingredients? The Avocado BLT makes our outstanding BLT.....6 slices of bacon.....even better, if that's possible. Come by and try all 3!

For our customers that love our home made Chicken Salad.....it's back.....our **Chicken Salad Sandwich** on a Croissant or Ciabatta. Our tuna salad and egg salad are also homemade and delicious, so try the **Salad Slider Trio**.....a slider bun with tuna salad, and egg salad, and chicken salad and comes with our fabulous and freshly made **Cucumber Salad** for the ultimate cool meal.

So many choices for your enjoyment and we have our **Strawberry Shortcake Dessert** to top off your experience! Toasted pounded cake topped with vanilla ice cream and our homemade strawberry sauce!

Live Music returns in July! We are so excited and hope you'll be here to enjoy it also! All Live music starts at 9pm.

Friday, July 9	Sarah and Kevin
Saturday, July 17	Joe Downer
Friday, July 30	Sarah and Kevin

We will be closed Independence Day, Sunday July 4, and we will continue to be closed Mondays due to staffing issues. I'm sure you have heard how difficult it has been to hire employees. We advertise on every platform, but have not found cooks, cashiers, dishwashers, servers, and bartenders. If you have a recommendation, please let me know. I am considering finders' fees and signing bonuses.

The good news is that we survived the pandemic and the limitations that hampered small businesses. We are happy to report that none of our employees tested positive for Covid. And we continue to clean—sanitize—and clean again to keep everyone safe and healthy!

We have missed you and hope to see you soon at The Main Street Pub!
