

Welcome to **March!** It's an exciting time for everyone at **The Main Street Pub** and this year we are going to celebrate **St. Patrick's Day** with gusto.

We gathered a few strong men and rearranged the Pub to allow for more seating---separated according to the Governor's rules. Come in and see our new expanded dining room area. And please let us know what you think.

Also, we have expanded our hours and will now be opened 7 days a week! We will be open on Monday through Thursday from 11:00 am until 10:00 pm, Friday from 11:00 am until Midnight, and Saturday and Sunday from 8:00 am until close. For those who miss our fabulous breakfast items, we are offering an "All Day Breakfast" menu from Monday through Friday.

March is Irish Heritage Month and our fabulous **Corned Beef and Cabbage** is our featured special all month long. The corned beef brisket is so tender you can cut it with a fork and is paired with a wedge of cabbage, red skin potatoes and steamed carrots. It's so good that we hope you will come in to order it more than once!

March Madness begins Sunday March 14 with the announcement of 68 NCAA Division 1 basketball teams. There are 67 games in 21 days, so it is indeed "madness!" The first day of **Spring** arrives on March 20. And smack dab in the middle of that week is.....drum roll please.....

St. Patrick's Day

We are calling on all leprechauns to come in for a pint or two, great food, and friendly camaraderie! Join us! We are in the mood for a big celebration. How about you?

As we approach springtime, we are thankful to all our guests at The Main Street Pub. We want you to feel like family – always welcome with a warm smile and hearty, tasty food. We look forward to seeing you soon at The Main Street Pub!

Until then....

May you have the hindsight to know where you have been, the foresight to know where you are going, and the insight to know when you have gone too far!

May the luck of the Irish be with you.....always!!
