

Welcome to May! It's the month with pleasant temperatures, Spring flowers, and a slew of holidays to celebrate....May Day, Mother's Day, Kentucky Derby Day, Memorial Day, Nurse's Day, Teacher's Day just to name a few. Come celebrate each of these with us at The Main Street Pub!

It's **National Salad Month!**

Our specials for May follow the salad month theme. Our awesome **Chicken Salad Sandwich** on a croissant or ciabatta with lettuce and tomato is freshly made and fabulous! Leading off with the delicious chicken salad, we are featuring the **Salad Salad Chicken Salad**.....it's not a typo! Mixed greens topped with candied pecans, raisins, feta cheese, and a big scoop of our chicken salad and balsamic vinaigrette dressing. For another choice, try the **Greek Chicken Wrap**.....it's like a salad rolled up in a wrap! It features grilled chicken strips, feta cheese, lettuce, tomato, cucumber with a drizzle of pesto and Italian dressing and all wrapped up. It's really fabulous! Our delicious **Cucumber Salad** is back.....crisp and tangy....it won't disappoint! As a new treat, we have Deviled Eggs.....it's 4 halves with 2 topped with fresh slice of jalapeno and 2 topped with crumbled bacon.....as an appetizer or light mid-day snack.....we have it covered!

Bingo is coming back to The Main Street Pub. Starts Monday, May 2nd from 7:30pm to 9:30pm. Everyone is welcome and as always, it's FREE to play. So come in and get your bingo card(s) and have a great time! Bingo is every Monday, so go ahead and block your calendar so you can be here every Monday night! Additionally, we are starting a **Trivia Night!** Wednesday, May 4th from 7:30pm to 9:30pm and especially fun for our highly intelligent patrons (of course, we think that everyone that comes to the pub shows that they are highly intelligent!). So, mark those calendars for Wednesday night.....play as a single or get your team together! It's a FREE fun time for everyone!

Live music on Friday May 20th with Sarah and Kevin and on Friday May 27th with ekat. Music from 8:00 pm to 11:00 pm. Join us for the fun and sing-along!

For all my avid readers, I apologize that I skipped this Newsletter in April. I did have a special April Fool's Joke for you! It went like this.....Many of you may have seen Judy's interview on TV as she was on about 5 times (The Today Show, Meet the Press and Nightly News with Lester Holt plus our local news).....then she received a call from Jill and Joe inviting her to lunch to discuss her ideas about the economy.....It was a great April Fool's joke, right?

Let's keep smiling and laughing as we venture through this beautiful springtime. Things are always better when you come by The Main Street Pub, and we look forward to seeing you with many smiles and high-fives! Thank you for always being the best customers! We appreciate you so much for all the support you have shown in the last two years. Stay safe!
