

Welcome to October.....the month filled with great weather, changing colors, the Clifton Day festival, fun places to explore and fabulous food at The Main Street Pub!

Our specials for October are actually Very Special! Introducing our **Buffalo Bleu Cheese Wrap**.....choice of chicken tenders or grilled chicken tossed in buffalo sauce and topped with bleu cheese crumbles, lettuce, tomato and wrapped in a flour tortilla. Our **Black and Blue Burger** is fabulous! We blackened our Angus burger with special seasoning and topped it with bleu cheese crumbles, lettuce and tomato.....it's a spiced-up burger for sure! It's National Chili month and our **Chili and Grilly** returns. A heaping bowl of our homemade chili topped with melted cheese and diced onions and accompanied by a grilled cheese sandwich of your creation.....you select the cheese and bread so we can make your creation! Our **Grilled Salmon Salad** has been so successful so we are featuring it again this month. Arcadian lettuce with candied pecans, raisins, feta cheese, cucumbers and topped with a 6 oz. blackened salmon filet with your choice of dressing.

Clifton Day is Sunday, October 10th.....we will be open and rocking, so please stop by to eat and drink, or just to say "Hello!" It's a great local festival in the Town of Clifton so come and enjoy!

Big Announcement.....drum roll, please.....**we now have an ATM machine** in front of The Main Street Pub/Clifton General Store building. Banking is available 24 hours a day, 7 days a week.

We continue to be closed on Monday due to a personnel shortage. We need cooks and dishwashers. Are you interested? Please apply on our website at www.themainstreetpub.net or stop by to complete an application.

As you have heard from national, regional and local news media the Country, including The Main Street Pub, is experiencing significant supply chain issues. As a result we are not always able to procure certain items for a multitude of reasons.....no workers, so no production, no drivers to deliver supplies to us.....it's the ultimate domino effect. We continue to work with our distributors to purchase the products we need, but at times there is a shortage and specific items are just not available.

We thank our guests and friends who continue to support us during these unusual times. We love seeing you and serving you! Stop in this month and spend some time with us at The Main Street Pub! Stay well and safe!
