

Property Options

The location and layout of our property is very conducive to special events and large parties. Depending on the number of people you are expecting and the event, we offer the option to reserve parts of the property for your event. The fee listed below is the facility reservation fee which covers all of the staff as well. The facility reservation fee is in addition to the cost for food, beverage, tax (7.5%), gratuity (18%), and rental equipment (special items that you request other than what we already have). Number of people each area can accommodate is dependent on what type of event you want to have.
