

Walking Rally **for the** **Mary Ruchalski Foundation**

Dear Friends,

On Saturday, June 5th the Rockville Centre Lions Club will be hosting a fun community fundraiser for the **Mary Ruchalski Foundation!** At this event, teams of local residents will be walking around our town trying to find answers to a preset list of questions – having fun, getting exercise and learning more about our village. A portion of the proceeds will support the Mary Ruchalski Foundation whose mission is to raise awareness of pediatric cancer and provide funding for pediatric cancer research. It also provides love, kindness and support for pediatric cancer patients and their families. And it supports educational and recreational organizations that Mary loved!
