Celebrating **45** Years...Serving The Shenandoah Valley Since "1972"!

Our Story...

The Melting Pot Pizza was first made available in 1970 at the Old Skyline Restaurant on the south side of Front Royal. In April of 1972 we bought the land and building which is now the Melting Pot Pizza. The day we bought the business I had 64 cents to my name. Fortunately an old time banker in town gave me a small loan for operating expenses. Putting in many long hours and making sure we always put out a quality product at a fair price with excellent service, the business grew. In June of 1976 we enclosed the attached car wash and added the dining room. It has not had a Friday or Saturday night since that it was not filled. In 1995 we added onto the kitchen so we could handle all the take out, delivery and eat in customers. We have some of the most conscientious and loyal employees one could find anywhere on this planet. One employee has been here since the beginning and a total of five have been here more than 20 years. We thank all of you loyal customers for making all of this possible. There is not enough room on this menu to list all of your names but we know you all. The Bachelors hope we can be here to serve you another 45 Years. We hope you enjoy your meal!
