

# Best Of Hartford Magazine 2018 Winners

[Hartford Magazine](#)

*[Best Of](#)*

Each year we poll our readers for the Best of Hartford in scores of categories covering bars, restaurants, shopping, health, entertainment and more.

Thousands of people vote and we carefully tally the results. It's exciting to see what's been picked for where to grab a cup of coffee, see a live band or try a pizza. If you want to know where the locals go, this is the place to look.

Thanks to everyone who voted and congratulations to all the winners.

## **Lucky Lou's Bar and Grill, Wethersfield**

Lucky Lou's lovers say it is they who are lucky to be dining en plein air, enjoying good food and drink on the enormous fenced-in patio from tables sprouting beer garden umbrellas.
