Garden Club News

Well, talk about great luck! Last month our trip to the Bonsai Garden of Fred and Carolyn Wieland was scheduled to be held on the day of the week when the weather was due to be AWFUL!!! However, the rain kept being postponed! We went had the best viewing of amazing Bonsai. Look for the annual open house that the Wielands have around Thanksgiving. You owe it to yourself to see these fabulous examples of such specialized plants. Fred's plants are so beautiful.

Now, guess what? Our annual luncheon will be held at the home of Virginia Brown. Another opportunity to see her collection of art and eat great food and enjoy the company of our very special membership! There will be entertainment as well! See what you are missing?

You can be part of this group. Just plan to begin in September to attend our meetings. If you would like to learn more about us, call me during the summer. I can tell you what you want to know. I really love this group! Jane Rordam phone 648-5137

The other thing I recommend is watching the Carolina Garden as it is upgraded this summer. We also have plans to recondition the area where the eucalyptus trees died. Watch us! We are something else!
