

Covid 19 Reopening Statement

We are so excited to be able to welcome you back to the Pub on Monday May 18th at 11:30!! We have made some changes and implemented some new policies to keep you and our team safe and wanted to make you aware of what to expect when you visit the Pub. Here is a brief overview, more details are available at the Pub.

- First and most importantly if you exhibit any symptoms of Covid 19 please do not enter the building and seek immediate medical attention
- We ask that you make reservations and limit all parties to 8 or less
- Tables, booths and bar seating have been adjusted to comply with physical distancing guidelines
- Sanitizing stations have been installed throughout the building
- We have changed to single use menus and condiments where possible. If not a single use product then the item is being disinfected after every use
- Servers, bartenders and managers will be wearing masks when interacting with customers
- Our team will continue practicing good hygiene, including changing gloves frequently between tasks and hand washing between tasks
- EPA approved cleaning and disinfecting products are being used to clean tables, booths, chairs and all non single use products

This an abbreviated list of what we have been and are doing to keep everyone healthy. We have closely followed the Maine CDC guidance for safely reopening and will continue to follow and implement changes as they are released.

Curbside pickup will continue to be available for both lunch and dinner, call the Pub at 563-6008 to place your order

If you have any questions please call Todd at (207) 380-4561 or Jed at (207) 380-4382

Thank you and welcome back!
