

Thanksgiving Menu 2020

In order to serve our customers with the highest quality of service this Thanksgiving season, the Gemelli Family requests that you, our valued customers, acknowledge that the following procedures are created so our staff can expedite your order as quickly and efficiently as possible.

1. The person picking up the order **MUST** know the pick-up number. Orders can not be picked up using a name. Please tell the person picking up the order what type of order it is (catering, meat, hero's etc.)
2. Please place your order as early as possible. **NO CHANGES** will be accepted after the deadline date.
3. The deadline date is **Friday, November 20, 2020**.
4. Please pay for your order in full upon placing it. This will allow our staff to expedite your order in a quick and orderly fashion.
5. If you need racks for your order they can be **PURCHASED** for \$5.00 per rack. Please tell us when you place your order if you will be purchasing racks in order for us to have a sufficient amount of racks on hand.
6. **NO ORDERS** will be accepted for bread, grocery, or deli items from Monday November 23, 2020 through Wednesday November 25, 2020. There are **NO EXCEPTIONS**. Gemelli's does not have room to store these types of orders. The store will be fully stocked for your convenience and will yield a full staff in order to accommodate your needs.
7. There will be **NO DELIVERIES**

Gemelli's will be as accommodating as possible when trying to fulfill your holiday order. Although we may have done something special in the past, this year we will not be able to take those types of orders. Through recommendations from our loyal customers, our holiday catering has grown to be triple what it once was. Not accepting those types of orders allows Gemelli's to maintain the excellent quality that it used when preparing each and every order.
