FOR IMMEDIATE RELEASE:

### **Adult-Only Cookies Bared on New Website**

(Lebanon, PA) May 11 – The Naughty Cookie Box invites the 18 and over crowd to be seduced by its new online inventory of cookies clad in lingerie, frisky costumes, or stripped down to nothing but icing.

A designer cookie company founded through Sweet Sanctions on October 1, 2014, the Naughty Cookie Box tempts and titillates clients by mixing gourmet recipes with racy designs. A rapid growth in demands and interest of people looking to get busy with fun, sexy cookies is responsible for the establishment of this company.

The Naughty Cookie Box is the only site in the country to provide strictly adult cookies on a nationwide basis for anyone looking to spice up something sweet. The availability of the official website will allow anyone outside the local Lebanon scene to get their hands and mouths on these adult treats while giving back to the young men of our generation. A 10% donation on EACH sale is donated on the 1st of every month the the Testicular Cancer Society to help fund research and support.

These flirty desserts are now available for exhibition on the Naughty Cookie Box official website as of March 1, and can also be found on it's Facebook Page, Etsy Store and Pinterest.
