

PAYMENT

The room fee is due at the time of booking. The payment of services are due in full at the completion of the event. The total price for food and service is determined by calculating the # of guest anticipated times the price per head.

Example: Reservation for 25 guest X Price Per Head

Note: If the number of guest that actually attend the event is less than the original reservation amount, the price will be determined by the reservation headcount due 24 hours before the reservation date. If the number of guest that actually attend the event exceeds the number of seats reserved, each additional guest will be charged the price per head.

CONDITIONS

All reservations will be limited to three (3) hours unless agreed to and approved by management prior to arrival on the date and time of your original reservation. In the event the time limit exceeds three (3) hours and is agreed to and approved by management, you will be charged an additional One Hundred (\$100.00) Dollars per hour. When setting time limits, hours of operation will be taken into consideration. (Sundays 10am-2pm, Mondays-Thursdays 10am-9pm, Fridays & Saturdays 10am-10pm)
