Food Decor Service Cost

“Phenomenal” fare “continues to astound” at this St. James French bistro, voted No. 1 for Food on Long Island, where “genius” chef-owner Eric Lomando “pays attention to detail in every dish”, achieves “poetry” in seafood and changes the menu “at his whim”; it relocated post-Survey to the former Mirabelle space, but is still quite “intimate”, and the no-corkage BYO policy means “you can’t beat the price”; N.B. “make your reservations waaay in advance” and “bring cash.”
