

Visitor Fact Sheet

Protect Yourself and Your Loved Ones From COVID-19

- Wash your hands thoroughly with soap and water for at least 20 seconds or use alcohol Based Hand Sanitizer that contains at least 60% alcohol.
- Avoid close contact with people who are sick and stay home if you are sick.
- You must wear a face mask or face covering in public when social distancing is not possible.
- Avoid touching your eyes, nose, and mouth.
- Remember to maintain social distancing precautions of at least 6 feet.

Visitor Guidance

- Visitors must sign in and will be screened for signs and symptoms of COVID-19 prior to the visit.
- While not required, all visitors are strongly encouraged to get tested for COVID – 19 prior to their visit.
- The facility will offer COVID – 19 testing free of charge to all visitors if needed.
- Visitors must wear a facemask or face covering and will be provided a mask if they do not have one at no charge.
- No food or beverages will be allowed during the visit.
- Hand sanitizer will be used before and after the visit and as needed.
- There will be no more than 2 visitors per session.
- Visitors under the age of 16 must be accompanied by an adult 18 years of age or older.
- Visitors are to go directly to the visiting area and not walk the hallways, or go to other parts of the facility.
- Allow for, if the resident is fully vaccinated, to have close contact (including touch) with their visitor while wearing a well-fitting face mask and performing hand-hygiene before and after. Regardless, visitors should physically distance from other residents and staff in the facility.
- If any visitor fails to adhere to the protocol, he/she/they will be prohibited from visiting for the duration of the COVID-19 state declared public health emergency.
