~ Blossom by blossom the Spring begins...

While some of us would like a do-over on 2020, most would agree that this is a challenging time for us all. I think what is hardest of all is the unknown. But what we do know for sure is this...historically, we live in a community rich in support of our neighbors, friends and families.

Over the past 21 years we are proud that the community comes to Tea for Two not only for our delicious food but for friendship, comfort and celebration of milestones. So, until we can gather again, think of us for your family time of gathering.

So, in the meantime...enjoy our food through the options below!

For your comfort and convenience,  
we have several options for you...

Curbside Pick Up To-Go Orders – For your convenience, all of our delicious food is available for call ahead to-go orders. Come in and say HI if you'd like but we are happy to bring your order out to your car!

Heat & Eats Casseroles To-Go – Each Casserole feeds 3-4 people. Stock your freezer to avoid those long grocery store lines. We are working hard to keep up with the current demand so please call ahead if you're looking for a variety. Add Soup, Salad, Dessert or Tea, if you like.
