100% Certified Angus Beef® – Never Frozen & No Fillers!

YOU CAN'T FAKE FRESH. TASTE THE DIFFERENCE.

Home Run Burgers is an independent, family owned and operated restaurant founded in 2008 by Bob Kiper. Bob is a Louisville food-industry veteran going back to 1954 when he was frying fish at the old Cape Codder chain while a student at Trinity High School. He owned and operated the local Cape Codder's until 1978 when he left the confines of a franchise to develop the Hungry Pelican Seafood Restaurants. This local business grew to include 11 locations in the Kentuckiana area. Mr. Kiper sold the restaurants to his management staff in 1992 because of health concerns. After fifteen years of retirement, Bob was impressed and intrigued with the rising popularity of the fast-casual, "better burger" concept. His daughter, Kathy Scannell, also loved the idea and came onboard to establish Home Run Burgers. With an emphasis on top shelf ingredients and high quality standards, this father/daughter team is proud to have been consistently voted the #1 Burger in the 'Ville since 2008!
