

## Commodore Report

### Greetings Members

I hope all our members and families have had a safe and healthy Holiday Season.

During these difficult times dealing with COVID and all its ramifications the Wicomico Yacht Club like other businesses has been hit very hard. Business is way down and Your Club is in need of your support, we are asking that all members please make an effort to please pay their member dues and dockage in a timely manner. Associate Dues are due in April if members can send them in early it would be appreciated.

Unfortunately there has not been enough restaurant business to sustain our overhead. We are doing everything in our power to maintain enough Staff to serve our Members throughout this event. The Restaurant will be closed for the next 2 Weeks for maintenance. It will re-open Saturday January 16th for wine night (details below in the Rear Commodores Report). For the remainder of January & February we will be open 2 nights' week, Weds and Saturday Nights to limit our overhead and maximize our business.

It has been perfectly understandable that some Members have deemed it necessary to maintain their distance during COVID. The Club has taken measures to be sure we comply with all CDC guidelines for Social Distancing within the club, Sanitizing, and Mask wearing. That being said we would greatly appreciate it if you would support your Club by doing take out meals during COVID, purchasing a Gift card for use at a later date when things open up and return to a new normal.

Also, we have heard that some Members are not getting our emails. If this is true for you, please let us know. You should be getting at least one email per week telling you of our specials and our Activities. We are researching the possibility of getting a new e-mail/web domain

Thank you so much for your support,

## **\*\*\*General Membership and Board Meeting\*\*\***

We will be having our Membership and Board Meetings at the Club 7:00 PM Monday January 11th. We will be practicing social distancing and we will have masks available, as well as hand sanitizers, and everything will be cleaned before and after the meeting.

Sincerely,

Commodore Jamie Rebman

Happy New Year everyone! With the New Year here let's hope we can get back to normal before boating season.

As some of you guys know this will be my last month on the Bridge, Emily and I are moving to Florida. It has been a great privilege to be Rear Commodore. The day to day at the club has come a long way! We have a great staff and food now, all we need to be a 100% is you. Please come and support your club. Without you there is no club! Here is to a New Year! Signing off for the last time.

## **REAR COMMODORE REPORT**

As the new Rear Commodore, I would like to say thank you for the opportunity to serve the club. I would also like to encourage our members to come out and enjoy the club during the off season. It would be a big help to the club as well as a chance to enjoy the fantastic food that Ben and his staff have to offer. Don't forget gift cards are still available for purchase.

- The New Year's Celebration was a hit even with the COVID restrictions. A good time was had by all and I would like to thank the entire staff for the fantastic food and excellent service.

## **FIRST MATES REPORT**

Happy New Year to all. Hope this year find each of you well and ready to tackle what gets thrown at us next.

As you know, the Club is closed until the 20th of January. But it will be open in time for the **Turkey Shoot January 24th.**

Due to the fact that the Club will not be open for the Super Bowl, the First Mates WILL NOT be selling boxes for the score.

Dues for First Mates (\$10) per calendar year, are due now. This is not restricted to the females of the Club. We have plenty of female Captains who have male First Mates. We are here as a fund-raising arm of the organization to assist where appropriate to help the Club flourish.

**There will be an open meeting for anyone wanting to join the First Mates on Sunday 10th at 4:00 PM in the trailer. Please join us to plan for 2021.**
