We had issues with our fuel and hopefully it be running by the weekend.

The pool is open and getting used a lot. Thanks for our pool committee and for staying after it. Hot weather is here and the Tiki bar open so come and enjoy WYC

From the Fleet:

The season is off to a wonderful start with lots of great boating weather. We had a large number of boats travel to Rumbley on Memorial Day, and even several people came by land! If anyone plans a day/weekend trip and you don't mind, please reach out and let other members know. . . Some of us "newer" boaters might like to follow along and add some new routes to our Chartplotters ... or maybe even hitch a ride!!!!

If you haven't booked slips for our upcoming cruise weekends, I suggest you book ASAP as slips are filling up fast! Here's a reminder of the dates and locations.

First Mates Report

Happy June from the First Mates!! What a great opening day weekend we had this year, especially compared to last year!! The First Mates started some new traditions with the commemorative wearables and brought back an old one in the bake sale.

Opening Day Festivities: Our first poker run of 2022 was a smashing success with 35 teams signing up and 32 boats participating. We certainly want to thank all of those that manned a hand this time, they are Donnie and Pam Messick, Dean Murray and company, VDR(always a good turnout), and Tom Stanley and company. Thank you also to all of the volunteers we had in organizing such a large group, the 50/50 sales, wearables and the bake sale.

It was a lucrative weekend for the winners, the committee and ultimately your club.

Wearables Committee: The commemorative opening day wearables were a huge success and we do have a very small quantity left for purchase.

July 9th Poker Run: We will be having our first Mid-Summer Poker Run on July 9th from 2-5. DJ Justin Darling will be spinning the records from 4:30-8:30 that evening as well. Again, if you want to participate and no vessel to do it with, or you just want to save some gas money, you can draw your hand at the club that afternoon.

Club Improvements: We are still awaiting the arrival of the new storage trailer. I am sure once it gets here, we will be seeking volunteers to help clean out the old one and organizing the new one. If you have suggestions regarding club improvements or items for the wearables committee to order, please email me at jseagraves@transparentedge.com or come to our next committee meeting on June 13, 2022 at 6:00, in the club house. Please come join the First Mates Club to get involved to see how you can help, we'd love to have you and dues are only \$10 per year!!

See you at the Club,

Jane Seagraves, President First Mates

TRAILER PARKING – 2022

TRAILER PARKING SPACES HAVE BEEN ASSIGNED.

Most 2022 permits have been distributed to paid parking trailer owners. 2022 permits are 400 series. A VERY limited number of spaces are still available. Applications can be obtained by emailing rmiles4@comcast.net , calling Becky Miles at 443-880-6190, or picking one up at the club.

If you currently have a boat trailer parked without proper registration or in a space that has not been assigned to you, please move your boat and trailer.

Temporary trailer parking is available on the grass area on both sides of the entrance.

AMENDMENT TO GROUNDS RULES (2015):

All boat trailers parked on WYC property over 48 hours must park in designated trailer parking area and must display a parking sticker on the front of the trailer or on the winch stand..

To receive a parking sticker, a registration form must be filled out and presented along with a check to receive the annual sticker. It is necessary to coordinate with the Grounds Committee to complete this process.

Stickers will cost \$250 per year. Trailers with proper stickers and registrations will be assigned a parking space.

Members who park a trailer without a sticker on Club premises over 48 hours will be

billed by the Treasurer for the annual fee and receive a sticker when the bill is paid. This Grounds Rule change goes into effect on January 1, 2016 and continues until rescinded by the Board of Governors.
