Rear Commodore's Report

Spring showers bring May Flowers! In the last week though, it's brought 30-degree temperatures, frost, and made me turn my heat back on! No worries though, May is here and so is boat season! The tiki bar has been open (days permitting) and I can sense everyone's enjoyment when it is! Please come down and enjoy! At the bottom of the newsletter is May's restaurant specials calendar. Please check it out and come on down. For activities, please check with Laura and her activities schedule.

Opening day weekend is right around the corner! Please come down and enjoy the activities during that weekend. It's always a great time and the right way to start off summer. I know everyone is gearing up for the big weekend. I've been through

a fair amount of these weekends, and I would make a recommendation: Pace yourselves.

We are actively searching for more staff! Any high schoolers/kids home from college/people of all ages that are looking for summertime jobs (ideally all year but beggars can't be choosers). We are in search of all positions. Please let Nick or I know of anybody that would be interested. We are trying to prepare ourselves as we get into the spring/summer season. Please, please, please, spread the word!

If you have any questions or recommendations, please feel free to reach out to me. I got word that last month's report might have rubbed some members the wrong way. Please keep in mind, this report is humorous and fun. As it comes to my humor, I look at it this way....My jokes may not be everyone's cup of tea, but they may be someone's glass of Jack. Happy Spring Everyone!

First Mates Report

Happy May from the First Mates!! It is hard to believe opening day weekend is this month, it's been a long winter and the chill is still in the air. We are looking forward to the festivities and honoring our opening day traditions.

Sock Burning: Thank you to all that participated in the inaugural Sock Burning, we all had a nice time. We shared a memory from last year and what we are most looking forward to this year at WYC. A little dancing afterwards ended the evening. Thank you to all that have brought socks for our donation down to the club as well, I'm sure our community will be grateful.

Opening Day Poker Run: Our first poker run will be opening weekend on Sunday May 29, 2022. The poker run will be from 1-4 with registration starting at noon. We will have our typical river stops and new this year we are including those members without a boat to also participate. You can purchase a hand from the club and draw your hand right there so that you can still be part of the fun!!!

Wearables Committee: Yes, we even have subcommittees on the First Mates committee, that alone is exciting to see how we have grown. They will be having Special Edition Opening Day Apparel with limited quantities and sizes, so be sure you get yours early during that weekend. The 50% off sale has been very successful in reducing our inventory and spreading our logo far and wide throughout the shore.

Club Improvements: We have ordered a new storage trailer, which will replace the old one and the Cube, just tidying up our club and providing safe, dry, usable storage for the dock master and other committees at the club. This is not a personal storage facility for members, but rather for the committees that serve the WYC. As the new First Mates committee, we are excited to be able to purchase such an important outbuilding, this is quite an expense and all of our hard work has enabled us to do this....Just can't wait to see what other improvements we are going to be able to help make at our club.

If you have suggestions regarding club improvements or items for the wearables committee to order, please email me at jseagraves@transparentedge.com or come to our next committee meeting on May 9, 2022 at 6:00, in the club house. Please come join the First Mates Club to get involved to see how you can help, we'd love to have you and dues are only \$10 per year!!

See you at the Club,

Jane Seagraves, President First Mates

TRAILER PARKING – 2022

TRAILER PARKING SPACES HAVE BEEN ASSIGNED.

Most 2022 permits have been distributed to paid parking trailer owners. 2022 permits are 400 series. A VERY limited number of spaces are still available. Applications can be obtained by emailing rmiles4@comcast.net , calling Becky Miles at 443-880-6190, or picking one up at the club.

If you currently have a boat trailer parked without proper registration or in a space that has not been assigned to you, please move your boat and trailer.

Temporary trailer parking is available on the grass area on both sides of the entrance.

AMENDMENT TO GROUNDS RULES (2015):

All boat trailers parked on WYC property over 48 hours must park in designated trailer parking area and must display a parking sticker on the front of the trailer or on the winch stand..

To receive a parking sticker, a registration form must be filled out and presented along

with a check to receive the annual sticker. It is necessary to coordinate with the Grounds Committee to complete this process.

Stickers will cost \$250 per year. Trailers with proper stickers and registrations will be assigned a parking space.

Members who park a trailer without a sticker on Club premises over 48 hours will be billed by the Treasurer for the annual fee and receive a sticker when the bill is paid.

This Grounds Rule change goes into effect on January 1, 2016 and continues until rescinded by the Board of Governors.

Pool News

The pool has passed the state inspection and will be open the end of this month! Our first pool committee meeting is Wednesday, May 11th at 6:00pm by the pool. At this meeting we will be having a training session/refresher course for how to check the pool

chemicals and opening/closing the pool as well as signing up for pool checks on the calendars. We look forward to the return of last years volunteers along with new volunteers! If you would like to join the pool committee and can't make it to the meeting, please let me know and I can schedule to meet you another time at the pool for training, etc. We can not keep the pool open without volunteers, so please consider being on our pool committee. The pool is checked 3x a day (morning, midday and evening) 7 days a week and we need to have many volunteers to keep it running smoothly and to stay open! The checks only take 5-10 minutes and we will train you, it's very simple. Please consider being a part of our awesome team, we have a lot of fun at the pool and we can't do it without you! Contact me or one of our CPO's (Certified Pool Operator) below with any questions. Looking forward to seeing you at the meeting!
