OCTOBER 2021 CREEK NEWS

Commodore's Report

My year is winding down, Thank you all for the support in 2021. But I still have 2 months to go and there is still lots of fun at the WYC.

We had a Great Turn out this weekend for OKTOBERFEST. Thanks for Everyone's help. Jeff Berthiaume had a great idea and he coordinated a great event for us.

Thank everyone that Volunteered. It wouldn't have been a success without everyone's support. 2022 Should be even better.

Commodores Plea!!!!

Your Yacht Club needs all our members support especially in off season to keep it Going. So please come down enjoy a meal at our restaurant. Bring some friends. We are open 4 days a week. but to sustain that schedule we need our members to support it.

*****General Membership and Board Meeting*****

We will be having our Membership and Board Meetings at the Club 7:00 PM
Monday, **OCTOBER 11th 2021**

Sincerely,

Commodore, Jamie Rebman

WYC Fleet Captain Report

From the Fleet:

Make sure to put this on your Calendar

From the Fleet:

Hard to believe it is that time of year again to start getting ready for the 34th Annual Christmas Boat Parade to benefit Toys for Tots. If you are interested in entering your boat this year, please let me know as soon as you can. As always we would like to get as many boats as we can and it makes it much easier for us to plan when we know who will be in the parade at least two weeks prior. I know it seems far away right now but it will be time before we know it. Also, keep in mind we have changed the parade time on the river at night to accommodate more of our smaller open boat crowd. It is only the run back to the club now instead of up the river and back to the club. Please see the details below.

Parade Information for November 27th 2021

**Boat Parade Starts at The Port of Salisbury at 5:30pm
Passes Upper Ferry around 6:45pm to 7pm**

Ends at the WYC around 7:45pm to 8pm
Toys can be donated at the WYC Club House Nov. 1st -28th
Keep in mind if you know someone with a boat that would like to participate and they are not a member. They don't have to be a member of the WYC to participate. We are happy to have non-members as well.

Poker walk October 10 – "PIER SIDE" Now is your chance to participate in all the fun even if you don't have a boat or live n the river. We are holding the second POKER WALK where stations are set up on the different piers at the WYC where you pull a card, have some libations, and meet new members. We are looking for new hosts for this event. The host provides some sort of adult treat for each participant.

We are looking for 4 stops, one each for B, C, D, and E piers. Please let one of the First Mates know if you are interested. Let's make this a fun event and theme your stop.

Followed up with Live Music on our lawn

Nautical auction – Due to unforeseen circumstances, we find it necessary to POSTPONE the auction until after the new year. We are looking at February when everyone is suffering from cabin fever and not much is happening. We will update the status as this develops. Thank you for your understanding.

Turkey shoot December 5 – It has come to our attention through the Department of Natural Resources (who are on our property every day),

that anyone under the age of 16 should have completed the gun safety course prior to shooting where bystanders are in attendance. This course can be found online at the DNR website.

Nominations for elections - Nominations are now open for anyone wishing to be considered for a leadership position in the First Mates. President, Vice-president, Secretary and Treasurer are positions to be filled. If you are interested, please join us at our next meeting on Monday October 11 at 6:00 pm.

New fall wearables now available for purchase. Check out our new gear when you come down for dinner or drinks. Thank you for your support of our mission.

Monday Night Football Pool is available at the upstairs bar. \$20 a box will give you 10 chances to win \$100. Only 100 boxes available so buy it earlier.

Gas Gossip

Remember as the season winds down to properly winterize your boat...Even though our fuel is 89.9 octane, Non-Ethanol it is still recommended Use a Fuel Stabilizer

GAS PUMP COURTESY

The Fuel Dock is only for Fueling Only!!!

Please do not leave your boat their while using using the facilities.

When Fueling please do not take up the whole dock we have room for 2 larger boats and 2-3 smaller boats. (we have 2 gas & 2 diesel Pumps).

Ensure Pumps nozzles are returned to their holders on the Dispenser. Besides Safety this also ends the Transaction and stops the pump.
