### **Commodore Report**

### **Happy Labor Day Weekend**

September is here and it brought us some very nice weather. So, come on down this weekend and enjoy it. There's a water slide for the kids Saturday, Sunday and Monday and a Steel Drum Band Sunday for everyone.

Check out our upcoming activities. The Crab Feast is Saturday October 10th. Crabs will be nice and FAT this time of the year. Different for this year all ticket sales will be purchased at WYC. When you purchase at the Club your receipt will be your ticket. So, if you want several tickets to give to others you will need to buy them separately so you will have individual receipts / ticket. Clear as mud?!?!

The new Member Numbers are in place which will solve a lot of issues we had using names. Also, we will be changing the gate and bathroom codes later this month. Jamie will let you know what the new numbers will be and when they will take effect.

**And check out our new Gift Cards below.**

### **\*\*\*General Membership and Board Meeting\*\*\***

We will be having our September General Membership and Board Meetings at the Club 7:00 PM Monday, September 14th. We will be practicing social distancing and we will have mask available, as well as hand sanitizers, and everything will be cleaned before and after the meeting.

Hope to see everyone SOON at the Club and stay SAFE!

### **From the Nominating Committee**

#### **Volunteers are one of the most important resources in our club!**

The Nominating Committee's responsibility is to search for current members who want to have further involvement within WYC. Whether you want to explore looking at being a bridge, board member, and/or volunteer in helping a committee please contact me. I will be glad to review with you any of the criteria needed for the positions within the club.

Please contact Tom or any committee member if you are interested or know of someone interested in helping our Club.

## **VICE COMMODORE REPORT**

**FIRST AND FOREMOST, THE WYC BRIDGE OFFICERS HOPE ALL OF THE WYC MEMBERS AND THEIR FAMILIES ARE DOING WELL THROUGHOUT THIS COVID 19 PANDEMIC**

We implemented a Membership Number System for all food & drink orders at the club restaurant. Every current member has a 4-digit number in our Point of Sale system. To be used for all Food and Beverage sales, dockage and storage and any fuel sales paid for at the Club. This has expedited and assisted the Staff with entering in and serving food orders an enabling us to verify and balance out the POS end of each night.

This past month the Commodores have been updating our membership roster and E mail list.

As a private club we are not open to the General Public So going forward and to restrict access to the club to our members, employees and to authorized vendors this month we will be changing the ACCESS code to the FRONT GATE. A new 4 DIGIT ACCESS CODE will be replacing the current code. An E-mail will be sent out to all the CURRENT PAID UP MEMBERS with the new code. We ask that members keep this code amongst their immediate family members and not pass out to the general public.

Jamie is heading up a Cigar Night at the Tiki Bar on September 18th. Bring your favorite stogie and we will have cognacs to match (or close enough).

### **ASSIGNMENT OF NUMBERS & GUESTS**

Each member will be assigned their own 4-digit Number.

All numbers are randomly assigned in our POS system.

### **Informing You of your Membership Number:**

On August 5th & going forward when you come to the club, there will be a master list behind the bar for the staff to look up and inform of your membership number

Good idea is to write it on your membership card

### **MEMBER SPONSORED GUEST**

All Guests need to be signed in our Guest Book by the Member they are a guest of. There are Guest Books at both the upstairs bar, and the Tiki Bar.

A Guest can have their own check/bill but they will be referenced in the POS as a guest of the Sponsor/Member

## REAR COMMODORE REPORT

Well summer is almost over but all I can say is thank you every day for your patronage! We have had a great summer at the club. With that said, I hope that momentum will move forward into the cold months. We are working on some new and existing things for the fall months, like lady's wine night, Men's Beer and Bourbon night, and more.

Also keep in mind, we now have WYC Gift Cards! The holidays will be here sooner than we think and a WYC gift card makes a great gift! I'm really looking forward to the months ahead.

And now you can also follow us on Instagram. The Instagram scan code is above.

## FLEET CAPTAIN REPORT

### From the Fleet:

I wanted to personally thank everyone that participated in the Hope Floats Boat Parade that raised awareness for Relay for Life for Wicomico County. We had around 15 boats and it was a great night on the river. After speaking with the Relay for Life team they want to extend their gratitude and appreciation for our support with this first-time event for them. So, there is a good chance we will do this event next year if Relay for Life would host it again.

Next Parade on the horizon. As of right now we are still planning the Toys for Tots Christmas Boat parade on November, 28th 2020 I will share the details in the October Newsletter some things may be different this year due to COVID of course. But as we have done all year, we will deal with them as they occur.

Finally, I hope everyone has enjoyed this boating season to its fullest. There is still a lot of boating left to do this year so get out there and enjoy it.

## **WYC Christmas Boat Parade Last Saturday in November 28th 2020**

On a closing thought, COVID-19 has restricted a lot of what we can do this summer it seems. But on a positive note when it comes to boating. Has it really? We have so many local options on the Wicomico River & The Tangier Sound. Not to mention all the boating options that social distancing shouldn't be an issue. Just to remind everyone you can take some great day trips, between the small towns, beaches you can go to by boat only, parks on the water, fishing and crabbing on just these two bodies of water alone. That can make for some very memorable boating. With that all I can leave you with is enjoy the simple part of boating this summer. That is, it doesn't matter where you take your boat. But to enjoy the time with the friends & family on your boat. Also, as always be safe!

Thank You,

## **FIRST MATES REPORT**

First Mates will host another poker run on September 20. We still need gracious volunteers to man 4 stops. Anyone interested please contact Nancy Dorsey or any other officer you may see at the Club.

We will be putting together nominations for officers for next year. If anyone is interesting in either serving on the Nominating Committee or coming on board next year, please let us know. We would like to publish the list of nominees in the October Creek News to be voted upon at our October 11 meeting. All offices are capped at a 3-year term, so it is not a long commitment. We would love to have new (younger) people organize things. Remember membership is open to everyone, not just wives. Please consider becoming involved. It is YOUR club and we need your voices.

**Our next meeting will be September 13 at 5:00PM.**
